

# School Development Plan 2025-2026

Priority 1	<p><b>Ensure pupils become independent, confident learners by embedding the school's vision of the Curriculum for Wales through the continued development of pedagogy and provision across the school.</b></p>
Priority 2	<p><b>Embed a culture where pupils are confident, motivated, and proud to use Welsh, enabling them to communicate effectively in both formal and informal contexts.</b></p>
Priority 3	<p><b>Ensure the teaching of Maths progressively develops and consolidates pupils' numeracy and problem-solving skills, reinforcing understanding to enable them to confidently and independently apply these skills across the curriculum and in authentic contexts.</b></p>
